Mahala.ai

The DataFlow Group has partnered with Mahala.ai for the Primary Source Verification of your Education qualification. Applicants must submit the required documents as per the process below.

The process is simple, with four main steps:

1. Register your details
2. Upload copies of the required document
3. Authorise verification

After processing the verification, we will share the report with you and the Mahala.ai team to review your application.

You can click **here** to register and start the process or scan this **QR** code with your phone.

IMPORTANT NOTE: Before starting your application, please review Mahala.ai's key requirements.

Packages	Service Details	Required Documents
Verification *$120 USD*	Primary Source Verification (PSV) of the following: • Degree / Educational document • Any other credentials as required by Mahala.ai	Clear scanned copies of the the specific documents to be verified: • Passport (mandatory for all documents) • Professional certificates: Degree/Diploma

- It takes an average of 25 working days to deliver a PSV report from the day of submission of all documents and information required to process the application.

Note: Issuing Authorities may request additional documents and/or information for verification. If required, a member of the DataFlow Group team will contact you to address any additional requirements.
